

Innovative Entrepreneurs

Subject area: Entrepreneurship course

University:	TUM
Level:	BA all years, MA all years, PhD
Teaching mode:	completely online, at specific time
Instructor(s):	Helmut Schönenberger, Christine Schuster

Short description

Online lecture series with guest speakers - outstanding Entrepreneurs, Managers and Investors - who provide insights about their individual entrepreneurial journey. They make the diversity of the founder's everyday life, entrepreneurial personalities, abilities and motivations tangible for the participants. In addition, every participant engages in a six-week personal change project in one of the addressed areas.

Full description
