

## Project TwoPager | EuroTeQaThon III

Our third EuroTeQathon will be hosted in Prague (CTU) from Saturday June 10<sup>th</sup> until Monday June 12<sup>th</sup> 2023. In preparation of this event every (selected) Collider project is asked to submit a TwoPager on their project according to the locally communicated deadline and procedure. This document will be used by the jury to complement the final presentation on Monday and have a good overview of all the different projects

### PROJECT DETAILS

Challenge Collaborator: ...

Team name: ...

Team slogan: ...

Team members (full name | study program | university)

Insert logo  
(if applicable)

What is the target problem for your project (in one sentence)?

...

How do you solve it (in max. three sentences)?

...

Insert project visual

Insert team picture

### **Potential for impact**

*How does it contribute to a more sustainable future from an environmental, social and/or economic perspective? On what scale and what range of the population could your project have an impact? (regional, national, European, only a small group of people, a wide range of the population etc.)*

...

### **Innovation**

*How is the solution innovative comparing to existing ones (if exist) from an application area, business model, technological and/or customer experience perspective? Who are the main competitors?*

...

### **Feasibility**

*To what extent can your project be self-sustainable? Are the means available to realize your innovations? What would be your ambition/the next steps with the project?*

...

### **Inclusivity**

*Are the stakeholders (industry partners, governmental bodies, societal stakeholders, potential users, etc.) involved in the process of the solution development? How did you take them and their feedback into account? What disciplines (engineering perspective, sociological perspective, etc.) are taken into consideration in the development of the solution?*

...
